CENTENNIAL STARTS FRIDAY

Contract Let For Antioch Post Office

Construction of the new Post Office at Antioch, Ill., was further advanced today with the announcement by Postmaster General J. Edward Day and Roy I. Kufalk, Antioch postmaster, that a contract has been awarded to Mr. and Mrs. Otto Schultz, 353 Emroy, Elmhurst, Ill., to build and lease the building to the Post Office Department.

Under the terms of the Department's commercial leasing program the successful bidder will construct the new building at the north side of Orchard Street, directly opposite Broadway, and lease it to the department for 10 years, with renewal options running up to 20 years, at an annual rental of \$8,500 for the basic term. A total of three competitive bids were received by the department's regional real estate manager.

The department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes.

"This formula," Mr. Day said, "utilizes the resources and investment funds of private enterprise for needed postal buildings."

The new Post Office at Antioch will be constructed on a site containing 10,536 square feet. The building will have an interior space of 4,386 square feet and ample paved areas for parking and movement of postal vehicles.

"The signing of the contract represents another step toward implementing the President's program for the construction and modernization of postal facilities throughout the nation during this year. Under this program private industry will invest the capital to build new facilities for lease to the department," Day said. "In addition, contingent upon the availability of funds, the Post Office Department is going ahead with the modernization of postal space in federal buildings."

"We now have more than 36,000 offices throughout the country, carrying a volume of 65,000,000,000 pieces of mail a year. In 50 years it will be double that figure. It is clear, therefore, that we must redouble our efforts, not only in the construction field but also in devising new postal techniques to meet the demands of our growing population."

STEPPING OFF at 7 p.m. tomorrow in Antioch's Civil War Centennial Parade will be Custer's Brigade Drum and Bugle Corps of Libertyville. The Corps is sponsored by Libertyville American Legion, and will make 35 public appearances in four states between Memorial and Labor Day.

Registration for the second session of swimming lessons at the Antioch Aqua Center will be held July 3, 4 and 5. Mrs. Charlotte Queen, instructor, announced today.

The lessons will be given from July 24-Aug. 28. Mrs. Queen reported an excellent response to the swimming lessons during the first period. Registrants must be six years old or over. Fees are \$3 for 10 lessons.

Local Artist to Exhibit July 7

Chicago and the surrounding area will be represented in an art exhibit, the first of its kind, to be held at Wilmet, Wis., Friday, Saturday and Sunday, July 7-9, at Wilmet High School.

Sponsored by the Westosha Business and Professional Women's Club of western Kenosha county, the event will feature a group of paintings on loan from the Frank Oehl-schlaeger galleries, Chicago, with works by such top-flight artists as Aaron Bohrod, Jon Corbino, Louis Bosa, Herb Davison, Mervin Jules, Iver Rose, LeRoy Neiman, Richard Florsheim, Phil Perkins, Richard Frooman and Atsushi Kikuchi.

George Grunow, Antioch, will direct the exhibit, and will include his own works in the show. In addition, there will be paintings and sculpture by Fred Penney, Libertyville, Gerald Hardy, Melrose Park, Joseph Manning, Villa Park, Warren Zander, Gurnee, Phil Austin and Everett Misunas, Waukegan, Kay and Carl Schwartz, Chicago, Jacqueline Horton, Antioch, and Grace Hertlein, Salem, Wis.

Tickets for Saturday and Sunday may be purchased at the door.

Children's Story Series Begins July 1 at Library

The Antioch Township Library will present the first of a summer series of story hours Saturday, July 1, at 10 a.m. Miss Luisa Vos will serve as story teller.

Miss Vos, who has completed her junior year at National College in Evanston, will be on hand every Saturday morning to entertain 4 to 8-year olds with stories and music.

Children of this age group are invited to come to the library at 10 a.m. Saturday mornings to become acquainted with the library and to hear Miss Vos' stories.

County Crime Group Names New President

John Haugen, Highland Park, has been elected president of the Lake County Crime Commission. He succeeds Ross Burgess, of Zion.

The commission has endorsed passage of Illinois Senate Bills 137 and 138 which would outlaw gambling-type pin ball machines in the state.

NEW USE FOR METERS

George "King" Jaros, orchestra leader and owner of Norshore Resort, Lake Catherine, has come up with an unusual benefit program. He has installed parking meters in front of his resort. The monies collected from the meters will be donated to the Rescue Squad.

PETITE LAKE PIONIC

Petite Lake Gardens residents will hold their annual picnic Sunday, June 25, at Lot 13 of Mr. and Mrs. Teofil Piskorz, at Highland Subdivision.

Giant Parade, Pageant Open Commemoration

Antioch will be the focal point of thousands throughout the lakes region this weekend during the three-day Civil War Centennial, Friday, Saturday and Sunday.

The observance will climax months of planning and preparation of activities designed to make the event a milestone in the history of the Village.

The observance will get underway at 7 p.m. Friday with a three-section parade featuring four bands

and three drum and bugle corps.

Included will be the famed Fifth Army Band from Fort Sheridan, the Zion City Band, the Bristol (Wis.) Band, and Antioch Grade School Band. Drum corps will include the fast-stepping Custer's Brigade of Libertyville, the Waukegan Comets and Mundelein Lancers.

The three latter groups are sponsored by the American Legion posts of their respective communities.

Joining the parade will be various floats and decorated cars from Antioch and surrounding communities.

"Section A" will assemble on First Street at 6:45 p.m. Friday and will move out at 7 p.m. Heading "Section A" will be the Fifth Army Band and followed by Custer's Brigade.

"Section B", led by the Bristol Band and the Mundelein Lancers, will form on Williams St. at 7:15 p.m. and will move out behind the lead section at 7:15.

"Section C", led by the Zion City and Antioch Grade School bands, will form on Williams St. at 7:15 p.m. and will fall in behind the two lead sections at 7:30 p.m.

With the aid of a U. S. Marine Corps Color Guard, brief, impressive ceremonies will officially open the three-day Centennial at the high school at 8 p.m. The Rev. L. H. Messersmith, pastor of the Millburn Congregational Church, oldest in the area, will give the invocation.

To herald the observance, Antioch merchants will fly Old Glory Friday, Saturday and until the close of activities Sunday. Store and business personnel will be garbed in costumes representative of the Civil War period and windows will display mementos, relics, and equipment typical of the times.

An old-fashioned, village-wide barbecue Sunday afternoon will ring down the curtain on the three-day observance. All are invited to participate.

Ottawa Pastor to Head Church In Lindenhurst

Rev. H. I. Nelson

The Rev. Harold I. Nelson, pastor of Trinity Lutheran Church at Ottawa, Ill., will begin a new congregation for the American Lutheran Church at Lindenhurst, it was disclosed today by the Rev. Elmer A. Nelson, president of the Illinois District of the American Lutheran Church.

The congregation will be known as Saint Mark Lutheran Church, instead of Grace Lutheran as was first named.

The Rev. Nelson, who will arrive in Lindenhurst as soon as the parsonage is completed, has served at Ottawa since 1950. Prior to that he served a parish in North Dakota.

A graduate of Augsburg College and Luther Theological Seminary in St. Paul, Minn., the Rev. Nelson was ordained in 1945.

The Rev. and Mrs. Nelson have four children.

Fight Request For Rezoning Indian Point

A request for rezoning four acres in the J. L. Shaw Subdivision, Indian Point on Fox Lake, ran into spirited opposition Tuesday in hearings before the Lake County Zoning Board of Appeals.

Making the request before the board which met in Antioch's Village hall, was Peter Bicanic, owner, who seeks to convert a 12-room home and a two story stucco building from residential to apartments.

The property, known as Lilac Lodge, is the former estate of Peggy Joyce, and was acquired by the Sisters of Charity and used as a convent-retreat until its purchase two years ago by Bicanic.

Bicanic lives there with his wife and three nieces.

In making his request, Bicanic said that he had spent between \$15,000 and \$20,000 to renovate the swimming pool and two structures. One structure, a two-story stucco building, would be converted to three apartments. The other would also be converted to a multi-dwelling.

Opposing Bicanic are a group of residents of the area who claim rezoning will be a wedge for converting the structures into a plush resort or club. They cited access roadways and character of the area as further evidence of why rezoning should be refused.

They voiced particular concern over use of 338 feet of lake front owned by Bicanic.

Bicanic disclosed he would drop his request for rezoning of the lake front and confine it to the inland property.

Some 50 residents were present at Tuesday's hearing.

Kenneth Short, attorney for Bicanic, queried his client before the board, headed by Max Pilz, board chairman and assistant supervisor of Waukegan.

A decision will be handed down July 11. Bicanic has indicated he will appeal if he loses his request for rezoning.

Wauconda Girl, 10, Drowns in Sand Lake

Gorla Kalch, 10, of 219 Church St., Wauconda, was drowned when a boat in which she was a passenger swamped on a sudden turn, in Sand Lake near Lindenhurst.

The girl was one of four passengers in the boat. Her mother, Mrs. Ida Kalch, was among the passengers.

Four Boaters Rescued

Two men and two women were rescued from the middle of Channel Lake Sunday afternoon by fellow boaters when their boat upset. Those rescued were Thomas Shaffer and his wife, Deloris, of Chicago, and two guests.

They were rescued by Herbert Horton, 276 North Ave., Antioch, and Sam Vivirito, Chicago, assisted by Deputies Ralph Buikeman and Adam Skrenta.

CAMP LAKE CARNIVAL

Camp Lake Gardens Improvement Association will hold a carnival June 30, July 1-2. The carnival will open Friday evening, June 30, with booths and concessions, and will remain open all day Saturday and Sunday, July 1-2. Meals will be available on the grounds.

HOSPITAL PATIENTS

Four area residents were reported as hospital patients last week at Condell Memorial Hospital in Libertyville.

In the hospital from Lake Villa were Donald Wiegell, George Austin and Mrs. Mildred Harris. From Antioch was Richard Norris.

UP AND IN PLACE are street decorations heralding the three-day Centennial observance this weekend. Decorations consist of floral baskets with crossed flags. Edgar Simonsen, superintendent of public works, behind sign, gives crews a hand.

EDITORIAL

Robbing Paul to Pay Peter

A bill to permit Lake County and several other counties to levy a special one-cent gasoline tax for public transportation operations has passed the Illinois House and will come up for vote soon in the Senate.

The bill would permit Lake and Cook counties to operate the North Shore Line as part of Chicago Transit Authority.

If this gas tax diversion measure passes the Senate, then every railroad, airline, busline, subway and streetcar line in the nation would and should have equal claim to motorists' tax revenue for subsidization of their operations.

Passage of this bill would impose yet another tax burden on the motorist who is already carrying more than his fair share of the tax load.

The special levy is unfair. Passage of this proposal would set a dangerous precedent by opening the door for more and more gas tax increases and highway fund diversion in future years.

We believe this bill is not in the best interest of the public and should be defeated.

Strong interests are behind passage of the proposal and it will most certainly pass unless the public acts — NOW.

Write your Senator — Sen. Robert McClary, Springfield, Ill. — today, and urge him to vote against House Bill No. 1385, the CTA gas tax subsidy proposal.

Filling a Vacancy

A group of interested residents has urged Village President Murrill Cunningham to give serious consideration to the appointment of Raymond Toft as trustee to fill the vacancy caused by the resignation last month of John Blackman.

Blackman's resignation came as a surprise on the eve of announcement of appointments by President Cunningham, who has postponed such action until the trusteeship is filled.

Blackman's resignation has caused a void on the board which would be filled with the appointment of Raymond Toft.

Toft, an Antioch businessman for the past eight years, has demonstrated his ability to administer and get the job done. Soft spoken and genial, Toft has been a resident of the area for 32 years. He served three years on the Antioch Grade School Board, is an active member of the Lions Club and a past treasurer and board member; he has been a member of the fire department for seven years and served as its president for two.

He helped organize the auxiliary police force.

His race as an independent in the April 18 elections, where he ran close behind the Peoples Party ticket, demonstrates his favor with voters. His participation in community affairs demonstrates his civic interests. His success in business demonstrates his abilities in this field.

Raymond Toft would be an asset to the Village Board.

Pierre Has Troubles

Pudgy, cigar chomping Pierre Salinger, White House press secretary, is finding the going rough. And things will probably get worse before they get better.

Pierre works for a boss who, to date, hasn't discovered that everything — and that means everything — the President does is news, big news. And Pierre's task is to dispense this news to the nation's news media, promptly, accurately, on time and without favor or flavor.

Thus far, Pierre hasn't succeeded too well.

All indications point to the fact that President Kennedy hasn't faced up to the reality that he lives in a goldfish bowl, and has either not informed his press secretary of certain events until they were practically public knowledge, or has kept him under wraps as to what he may and may not disclose.

Case in point at this time concerns his back ailment. The news was released several weeks after the ailment began. In fact, President Kennedy didn't bother to inform Mrs. Kennedy of the fact, and she learned of his difficulty through the press while vacationing in Greece.

The President likes his swimming and golf, but the news blackout continues apace this phase of his activity.

We hark back to dour Calvin Coolidge visiting the farmer in feedlots, garbed in conservative attire with 10-gallon hat set squarely above deck.

Oldsters will remember those many shots of angler Herbert Hoover casting in the Rappahannock, high collar and tie in place, unruffled and ever dignified.

The late President Roosevelt was a mugger of the first degree and didn't miss a trick for informal posing, be it with Sistie or Falla. And how well remembered are the anecdotes and pictures of President Eisenhower. The press even waxed lyrical when he was able to make the bathroom on his own during a heart ailment in the mid-50's.

The President is entitled to a semblance of privacy — in his private life — and we hope he manages to a desirable degree.

But, pray his reticence in dissemination doesn't extend to national and international affairs vitally affecting this country and every American.

Keep the Door Closed

Once again, as it has done each year for several years, the Committee of One Million Against the Admission of Communist China to the United Nations is petitioning the people of the United States to support its stand with words and work and signatures. It also fights United States diplomatic recognition of this Red regime on the grounds that it "... would break faith with our dead and the unfortunate Americans still wrongfully imprisoned by Communist China and would dishearten our friends and allies in Asia whose continued will to resist Communist China's pressures and blandishments is so vital to our own security interests in that part of the world."

The Committee is something of a unique group in one important fashion. Its membership cuts across political and economic boundaries. Its steering committee has members who are often in aggressive opposition over other issues. As of March 1, some 350 members of Congress had endorsed it—an amazing total for any cause.

May its good work continue, and succeed.

Your State Senator Reports

The Illinois General Assembly has done it again! Every major issue on the legislative agenda has been delayed until the final days of the session. This is the same pattern set by previous sessions of our state lawmakers.

With less than two weeks remaining until the session adjourns, sine die on June 30, the public may inquire with justification "But why haven't any of the major bills been passed?"

One may speculate that the sponsors of bad legislation hope to secure passage of their bills during the last frenzied hours of the session. This is a strategy which is successful at times. Still, it has been your Senator's observation that legislators gain courage during the closing days, and are more apt to vote "No" than during the friendly and more leisurely days at the beginning of the session.

What then, are the big decisions still to be made during the next fourteen days?

First, it is hoped that a Congressional redistricting bill will be passed. Failure to enact a law establishing 24 new Congressional districts (in place of the present 25 districts) will mean that Illinois' candidates for Congress in 1962 will run at large. Very few of the state legislators and none of the present Congressmen want this to happen.

It is your Senator's prediction that a Congressional redistricting bill will be passed during the closing days, establishing Lake, McHenry and Boone Counties as one of the new Congressional Districts.

Second, the Administration's various tax proposals still have a long, rough road to travel. However, it is expected that only the sales tax increase will be defeated. Pending measures to impose a modest tax on motel and hotel accommodations, the sales tax broadening bills, a one cent increase in the cigarette tax, and a moderate increase in the Corporation franchise tax will probably be passed in the final frantic hours. Also, the appropriation bills to sup-

ply state funds for the next two years will be debated (and ultimately passed) as the session grinds to its inevitable close.

Thirdly, the various proposals to amend the state constitution will be passed or defeated before final adjournment. Resolutions for a new revenue article were the subject of testimony this week in the Senate. A final Senate vote should come in the next few days. If two-thirds of the Senate approves one of the proposals, it will then go to the House where a two-thirds vote also will be needed in order for the people to vote upon it in November, 1962.

The Judicial Article, and the various proposals to change voting qualifications (such as reducing the age for voting) will also be called for a vote—soon.

Lastly, are the many important measures affecting our state's morality. The bills seeking to outlaw gambling-type pinball machines, a measure which would establish a legislative crime investigation commission, bills seeking to prevent recurrence of the recent vote frauds, and a bill to raise the drinking age for girls from 18 to 21 are still on the calendar.

One may ask, "Just what has the legislature been doing for five and one-half months that so much of the important business has remained until these last two weeks?" And, that is a very hard question to answer.

Perhaps part of the answer lies in the human tendency to procrastinate. Also, legislators, like many others, have difficulty in reaching final decisions (especially on highly controversial matters) until the so-called twelfth hour. Also, there are many astute strategists at work, as suggested at the outset of this article.

At any rate, when the twelfth hour of midnight June 30 arrives, the great issues of 1961 will have been resolved, and according to the clocks on the walls of the House and Senate the 72nd Illinois General Assembly will adjourn sine die.

'Paradise Lost'

"Well, it's summer," said the old man. "I don't care what they say, you feel it when it's summer."

He wasn't too presentable, unshaven and a little seedy. But he was intense and his voice cracked

a little when he talked about his fishing up in Wisconsin and allowed as how maybe he'd go again this year, though he hadn't planned on it.

He looked and talked like an old man, but he wanted to be a boy and that's how he could tell it was summer, because it was time to go up to Wisconsin.

That's the trouble with summer. In spring, everybody feels young and free and ready to do battle with all the old promises and problems. But comes summer and school starts letting out and nothing changes. The three long months of idleness and reveries are squeezed into two short weeks of frantic relaxation.

Summer belongs to little boys and the rest of us might just as well leave it alone.

We used to skip rocks and chase rabbits and build tree shacks and break arms and follow creeks and dig holes and find things.

We found snakes and lizards and rocks and tires and other kids' baseballs and money and empty wine bottles, and all of these we brought home to save for the time when they would be useful.

We played baseball in the streets. Nobody ever plays baseball in the streets anymore. We used to play in vacant lots but the war brought victory gardens and baseball moved out into streets.

There was a silent war between the victory gardeners and the baseball players that nobody ever won, but a lot of tomato stakes were yanked out.

At night we played kick-the-can

and capture-the-flag and stayed up late to hear Bill Stearns on the radio, turned down low under the bed.

We caught lightning bugs and let them go in bedrooms and movie theaters.

Later on we spent every day at the local golf course as caddies. What a wonderful world that was: \$1.10 for just carrying a bag of golf clubs around the course. And if somebody lost a ball, they would give you a quarter if you found it—later.

Then something called "summer jobs" came along and first it was just mowing lawns or washing cars, and that wasn't so bad. Later some of us were weeding out pine seedlings at the local nursery and others went for the big money, a job in one of the mills.

The pay was good and the old mill hands taught you how to chew tobacco, although some decided they didn't much want to learn after all.

Then we discovered beer and cigarettes and after that first year in college all the abstinence and good intentions in this world could not bring the real summer back.

Something many people who write letters to legislators don't realize is that an amendment can change a measure completely. If your representative or senator does not give you a definite commitment one way or another on a bill, it may be that he is not afraid to take a position but he does not want to take a definite stand until the bill is in final shape.

A good example is the bill which concerns alcoholic drinking among young people.

At the present time the law in Illinois is that a girl can legally buy a drink if she is 18 and a boy can when he is 21.

Senate Bill 35 proposed changing it to 21 for both boys and girls, a move a great many of us feel is logical. (The argument used against it is that if you permit a girl to marry at 18, it does not make sense to say she can't have a drink.)

The bill, raising the age limit to 21 for everyone was passed in the Senate overwhelmingly. For a short period I was getting a great deal of mail supporting this measure.

Then in the House committee, the measure was changed, reducing the age for both men and women to 19—doing just the opposite of what the sponsor intended. The result is that the people who originally wrote to me to support the measure I feel confident would want me to oppose it, and those who originally wrote opposing it probably now are for it.

If I had written letters committing myself definitely to support Senate Bill 35, I would have been in a somewhat awkward position. So on some of these matters a legislator simply states his support or opposition to the general principle. Or he indicates his feeling about a

measure without pledging a vote. He has to hedge his answers somewhat because it is impossible to know what an amendment will do to a measure.

This does not excuse spinelessness on the part of any legislator, but what appears to be spinelessness may only be caution as to possible amendments on a bill.

Amendments become particularly important in these final weeks of the legislature when action comes so quickly. A "small" amendment can slip in easily which accomplishes something most legislators would not want to do.

The hectic closing days in Springfield are days when important amendments can slip in almost unnoticed.

Those amendments cause legislators agony—and may cause a reply to your letter which is less committed to a bill than you would like.

Sycamore Anthracnose Outbreak in Illinois

University of Illinois foresters say shade tree owners are reporting a number of cases of sycamore anthracnose, a leaf blight disease that attacks sycamore trees.

Pathologists generally recognize two types of sycamore anthracnose. One type kills part or all of the young leaves. However, new foliage grows back in early summer, and unless the tree has been hit by several successive defoliations, it won't be seriously injured.

The second type of anthracnose causes darkened areas on the mid-rib and veins of fully developed leaves. These areas contain brown fruiting fungus bodies that occasionally are visible to the naked eye.

Foresters say that in spite of present concern it's too late to stop the disease this year. If you notice

anthracnose symptoms in your sycamores, plan to apply an organic mercury spray before buds begin to swell next spring.

Apply a second mercury spray just before the buds burst, and a third spray seven days later.

BIBLE SCHOOL ENDS

The one-week Bible school of the Salem Methodist Church was held last week at the Salvation Army Camp.

Plans, Offices!

The little man stood quietly at the street corner. Every five minutes or so he'd pull out his watch, look at it, then put it back into his pocket with a sigh.

Finally he turned to a policeman.

"I've been waiting for my wife for half an hour at this corner. Wouldn't you please tell me to move along?"

Lindhurst News

By Mrs. Barbara Norman
Linda S. 1960

LINDHURST—Installation of officers was the main business for the Altar and Rosary Society of the Prince of Peace Church in Lake Villa last week. Installed by Fr. David Lynch, pastor, were Mrs. Loretta Warchol, president for a second term; Mrs. John (Wanda) Weiss, vice president, second term; Mrs. Donald (Rita) Wismer, second vice president; Mrs. Floyd (Lu) Stanley, treasurer, second term; and Mrs. Henry (Marie) Gurke, secretary.

The newly organized men's choir sang during the benediction.

A buffet supper was served. Each lady attending brought a dish. Approximately 60 ladies attended.

Plans were made for the annual salad bar luncheon and card party scheduled for July 19. Mrs. Joseph McGrath is chairman and Mrs. Ray (Rose-Mary) Coluccio is co-chairman of the event.

The ladies of the Sodality will serve the chicken dinners at the festival in August. Chairmen of the dinner are Mrs. June Kneifel, Mrs. Marion Hedberg and Mrs. Ann Madsen.

Gordon McGee, scoutmaster and

John Springer, assistant of Boy Scout Troop 88, Venetian Village, and several other fathers, will drive 25 boys up to Camp Ma-Ka-Je-Wan in Wisconsin June 29, for two weeks. There are 10 boys from Lindhurst in the two patrols in the troop.

They went to Wilmet for an overnight camp-out recently, to condition them for their trip.

Mrs. Raymond (Wyneth) Claffy, leader of Brownie Troop 124, has presented the Lindhurst Women's Club with a plaque in appreciation of their sponsoring them at its June meeting. The club has agreed to purchase flags for the troop.

The girls made book marks and sun glass cases for Father's Day. They also made sit-upons to be used at day camp, and 108 place favors for the T. B. Sanitorium in Waukegan for July 4.

Meetings are postponed until July 11, as the girls will be at Day Camp June 20-23 and 27-30. Mrs. Claffy will be a counselor.

The Lindhurst 4-H Daisies Juniors had a picnic June 14 at Sherwood Park. Mrs. Andrew (Edith) Westberg, 2121 East Woodlane Dr., is their leader. She has 18 girls in the Juniors. All of them attended the picnic with 7 mothers and 11 other children.

Mrs. Westberg has the girls at her home four days a week, from 1:30 to 4 p.m.

A surprise party to end surprise parties was held at the home of Mr. and Mrs. Charles (Arlene) Pawlowski of 1815 Maplewood Ct., Sunday afternoon.

Arlene was expecting her parents, Mr. and Mrs. Walter Miller, of Chicago, but not the other 13 cars containing 54 persons. They all met at Linden Plaza, and one by one they drove up past Arlene's home.

They brought all the food and refreshments, tables and chairs and of course, gifts. A few of the days being celebrated were the Pawlowskis' 10th wedding anniversary June 23; Father's Day; Mr. Miller's birthday; the Millers' 30th wedding anniversary June 20; Geoffrey Pawlowski's sixth birthday June 25, and his brother Gregory's seventh birthday July 3.

Among the guests was great-grandmother, Mrs. John Popelka from Hinsdale.

Congratulations to Mr. and Mrs. Robert (Verna) Riley of Bonner Lane on their 16th wedding anniversary June 16. They have two daughters, Linda and Valerie.

At a special meeting of the Lindhurst Men's Club last Tuesday evening, 10 of the members agreed to be co-signers for the mortgage of the Civic Center. The Antioch Savings and Loan is holding the mortgage. An official seal to be used by the Club was approved.

Ellis Fuqua is the attorney for the club and Richard Thacker is surveyor and engineer. N. Engle and Woodland Construction donated the site for the Center.

Saturday the sub-floor was laid with the help of 25 men. The stair-

wells have been cut, so they will be ready when needed.

They hope to have the center finished by September 1.

A meeting of the Block Party committee was held at Lyle Mercer's home Friday evening. Doug Sanders is co-chairman. All are working to make the affair a success. Among those working are Paul Wright, Bud Kleban, Art Nelson, Bill Kaub, Hank Pearce, Thor Neumann, Fred Zandier, Bud Barnes, Tony Drago, Ron Coles, Ray Caldwell, Jim Hartwig, and Bert Langager.

There will be skill games, dancing to record player going out over a P. A. system, various booths by the Lindhurst Garden Club, Lindhurst Women's Club, Sportsmen's Club, Junior Police, and various Scout groups. Howard Webster and his pony stage coach will be on hand Saturday and Sunday to give the children pony rides. All proceeds of the affair will go into the building fund.

Grace Slove made hamburgers and John furnished the buns for them Saturday for the men working on the Civic Center. Bert Harceg made the coffee and lemonade. Bert served the sandwiches to the men. The Lindhurst Women's Club donated the refreshments.

Debby Claffy, Dawn Schimpf, Janet Matthiesen, Linda Litman, Nancy Lloyd and Nancy Murawski dressed up in their mothers' dresses, high heel shoes and big hats and attended Cheryl Stangel's 5th birthday party Friday afternoon.

Cheryl is the daughter of Ralph and Mary Stangel of 514 S. Deerpath. They also have two boys, Greg 4 and Ross 1. Mrs. Stangel will be a kindergarten teacher at B. J. Hooper school this fall.

The Pinochle Club members know the secret of how to keep their husbands satisfied and not object to their getting together every two weeks, nine months out of the year. Every time they get together they put some money aside for their annual night out with their husbands. A week ago Saturday, May Hunt, Grace Slove, Marge Campbell, Zinnia Neumann, Dorothy Verdick, June Simecek and Vi Selzer took their husbands to the Moose Lodge in Waukegan for steak dinners and a night on the town.

The Luau committee is at work making plans for their second big affair, Sept. 30 in the Civic Center. Mrs. James (Babe) Hartwig is chairman and Mrs. Floyd (Lu) Stanley is her co-chairman. The other ladies helping are the Mesdames Bert Harceg, May Hunt, Dee Flint, Phyllis Kleban, Zinnia Neumann and Dorothy Thompson. Monday evening several women were busy making decorations at Mrs. Hartwig's home on Sand Lake Road.

A belated "happy birthday" to Mrs. Paul (Helen) Wright of 2311 E. Deerpath Road. June 14 was her birthday. Her five-year-old daughter, Lee Ann, presented her with a birthday cake.

The annual rummage sale conducted by the Altar and Rosary Society of the Prince of Peace Church in Lake Villa, Route 21 and Grand Ave., will take place Friday, 10 a.m. to 9 p.m. and on Saturday, 9 a.m. until 4 p.m.

Mrs. Ruth Koenig is chairman and Mrs. Vicky Reidel is co-chairman of the sale.

Strange Tongue

Two transport drivers were taking a cargo into Canada for the first time. Late in the evening they stopped at a large town, parked their truck and entered a roadside diner. A very cute little waitress approached.

"What town is this?" asked one of the drivers.

"Saskatoon, Saskatchewan," sang out the waitress.

The driver turned to his companion and whispered:

"Now we're in a mess. They don't even speak English here."

For safe driving, see that all the nuts are tight except the one at the wheel.—Colfax Messenger.

Rifle Club Raps
Proposed Code
On Fire Arms

An official of the Illinois State Rifle Association has pointed to Section 24 of the proposed new Illinois Criminal Code which relates to deadly weapons as "very disappointing, ambiguous and insidious."

Fred Martin, president of the Association, said Senate Bill No. 176 and House Bill No. 342 which contain the proposed revisions are "vague and uncertain, couched in shadow words and obscured intentions" that greatly threaten the freedom of sportsmen.

The main objection, Martin says, is to the language used in a section of the proposed bill which outlines certain exemptions to provisions that permit possession of firearms. One such exemption permits members of any club or organization, organized for the purpose of practicing shooting, to possess firearms while on established target ranges. But the Association president said the proposed law makes no provision for transporting such firearms to and from the range or the field. It does require that "the defendant shall have the burden of proving such exemptions by a preponderance of the evidence."

This, the ISRA spokesman said, seems contrary to the American concept that a man is innocent until proven guilty beyond any reasonable doubt. Martin referred originators of the proposed bill to Article No. 3 (rights of defendant) of the very same bill which reads: "Every person is presumed innocent until proved guilty."

ISRA officials also said sportsmen may also find these provisions of the proposed new code to be objectionable: That possession of an arm which has any serial number or marks of identification removed subjects the owner to a stiff fine and possible one year jail term or both, while many foreign guns were sold in this country with serial numbers removed before they were placed on the market as well as some U. S. made guns that have no serial numbers.

That possession of a sawed-off shotgun is illegal, while no barrel length is specified to determine what is a sawed-off shotgun.

That it prohibits the sale or purchase of any weapon for which more than eight shots or bullets can be discharged by a single function of the trigger. Presumably this could

make shotguns illegal and legalize machine guns that do not fire more than eight shots in a single blast.

That any father who gave a .22 caliber pistol to a son under 18 would be subject to a possible \$500 fine and or a year in jail.

Lincoln Lore and Civil War Theme Mark Latest Editions at Library

Among the recent books about the Civil War, R. Ernest and Trevor Dupuy's "Compact History of the Civil War" will be extremely useful as a readable introduction to and a dependable guide through a mass of battles and issues of that great conflict.

Written by military men, interesting parallels with modern warfare are drawn. For instance, Sherman's march to the sea was the forerunner of the blitzkrieg, and were first tried on Civil War battlefields.

"The Compact History of the Civil War" was given to the Antioch Township Library in memory of Richard B. Seyfarth.

Two distinguished biographical works on Abraham Lincoln have been received in memory of Bessie Paddock Eastman. "Citizen of New Salem" chronicles the years of self-discovery in central Illinois. Lincoln was 21 when he came there as a flatboatman.

Paul Horgan has given us an interesting portrait of the young Lincoln set against a background of a frontier society. The noted Lincoln scholar, Ralph G. Newman, asked 78 people to write on various aspects of the life of Lincoln. In "Lincoln for the Ages" Senator Douglas discusses the bitter campaign of 1858, Allan Nevins writes of Lincoln's return to politics and other famous writers have contributed interesting material from their fund of Lincoln Research.

In memory of Otto Klass, the library has received "The Great Adventure," by Pierce G. Freder-

icks. This is a complete and memorable story of America's participation—on land, at sea, in the air, and on the home front, in World War I. Filled with descriptions of desperate battles and valiant heroism, this is a thrilling account of some of the most harrowing hours in America's history and an absorbing preview of her power in the years to come.

The Board has been directed to determine whether improvements for flood control in the Chain of Lakes district are advisable at this time.

Approval of Rep. Church's resolution was granted by the House committee on public works.

Salvation Army To Hold Annual Workshop Here

Workshops, an apron fashion show and a ceremony honoring 12 outstanding Home Leaguers will be featured at the 17th annual Home League Institute sponsored by the Salvation Army June 27-30 at its Camp Wonderland, six miles northwest of Antioch. Forty delegates will represent Chicago area corps.

More than 300 Home League local officers from Salvation Army corps in the midwest will be official delegates to the institute. Theme of the four-day meeting is "Today's Tools for Tomorrow's Teaching." The principal guest speaker will be Col. Mrs. Harold Smith (retired), a Bible teacher for more than 40 years. A graduate of Boston University, Mrs. Smith has studied at Moody Bible Institute.

On Wednesday morning there will be panel discussions led by league secretaries, chaplains and treasurers, and a session on program planning for the year with special emphasis on activities suitable for each month.

A wide array of aprons will be modeled during the fashion show Wednesday noon in the camp amphitheater while delegates are served box lunches. Aprons typical of Italy, Holland, Spain, Hawaii, Scotland, England, Switzerland and other countries will be worn with the traditional costumes. Aprons with imaginative designs appropriate for each day of the week will also be modeled. The show will conclude with a parade of delegates wearing their own handmade aprons.

A "Mary-Martha Debate" will be presented Wednesday evening by four delegates, with Mrs. Lt. Colonel C. Stanley Staiger, 2900 Wilson Ave., as moderator.

The recognition ceremony to salute the outstanding Home League member from each of the 12 divisions in the Salvation Army's Central Territory will be conducted Thursday afternoon by Colonel Mrs. Glenn Ryan, 909 Belleforte Ave., Oak Park, territorial president of the league. The "Home Leaguer of the Year" selected from among the 12 finalists will be introduced during the ceremony.

Commissioner Claude E. Bates, 1019 N. Elmwood Ave., Oak Park, Central Territorial commander, will address the delegates at the opening and closing sessions of the institute.

Other activities and sessions will feature service, education, worship, fellowship and the home.

Burn Victim, 13, Offers Blood to Memorial Bank

A 13 year old Winthrop Harbor girl who returned to St. Luke's Presbyterian Hospital, Chicago, for additional skin grafts last week, is among a dozen burn victims who have offered their blood to the Jacob Blumberg Memorial Blood Bank to aid in the treatment of other burn victims.

The young volunteer, Sandra Kay Freeman, daughter of Mr. and Mrs. G. B. Freeman, of 1432 Third St., Winthrop Harbor, suffered third degree burns over 60 percent of her body when she was engulfed by burning kerosene while playing nearly three years ago.

During her treatment period she was given scores of blood transfusions to restore body fluids lost when she sustained the critical burns.

Volunteer donors helped replace the blood through the Jacob Blumberg Memorial Blood Bank and now Sandra Kay wants to help others who have suffered extensive burns.

A recent discovery of burn anti-toxins in the blood of burn victims is being used to aid in the treatment of severe burns and the blood bank has issued a call for volunteer donors whose blood contains the anti-toxins.

Learning of the need for the special blood Sandra Kay contacted the Blumberg Blood Bank of the Lake County Medical Society and volunteered to donate for other burn victims.

Miss Sandra Orr, chief technician of the blood bank, assured the courageous youngster that her name would be put on the future donor list because her age and the fact that she is still undergoing treatment make her ineligible to serve as a donor at this time.

"We appreciate the offer of Sandra Kay and of all the other people in the area who have so generously responded to our call for blood containing the born anti-toxins," said Dr. John Freeland, president of the Blumberg Blood Bank.

"Through this file of names we will be able to render even more service to the people of Lake County which is the primary goal of the blood bank," Dr. Freeland asserted.

Apparently slightly less ice cream is being consumed so far this year. Wisconsin plants made 1,470,000 gallons of ice cream in February. This was 3 per cent less than last February's output. Production in the nation was off 3 per cent from the February 1960 total and dropped 2 per cent from the first two months of last year. Wisconsin ice cream production in the first two months of this year was down 5 per cent from a year ago, but larger quantities were made in Illinois, Michigan and Minnesota.

The Standard, of Elton, Ky., says: "People who frequent taverns and night clubs were given a pleasant surprise. Congress passed a law cutting the twenty per cent on night club entertainment to ten per cent. People who drive cars and trucks got a different kind of surprise. Their last surprise was a boost in the Federal gasoline tax that shot the rate up to four cents per gallon. Now the combined state and Federal taxes on a gallon of gasoline average—nationally—about 50 per cent of the retail price of the fuel itself."

Pirates Edge Orioles 6 - 4 To Pace Lakeland L. League

SILVER LAKE, Wis.—The Pirates zoomed into first place in the Lakeland Little League with a 7-2 won-lost mark last week by edging the Orioles 6-4 at New Munster.

Gary Hilbert struck out 14 Oriole batters to pace the Pirates to the win.

Johnny Paoli accounted for four of the Pirates' six runs with a single and homerun. George Sobotka was top hitter for the Pirates with three for three.

The second-place Yankees socked the Cubs at Silver Lake 16-6 in a free-hitting contest. John Erickson tallied a double and a homer for the Yanks. Mike Vanderzee also walloped a homer for the winners, and Ronnie Weidner, Allie Luke and Richard Cook each collected two hits apiece. Luke was the winning pitcher.

Leading hitters for the Cubs were Gary Voltz and Kevin Kerman with doubles.

The White Sox trounced the Braves 16-7 in play at Twin Lakes, to gain a 5-4 record.

Gerald Tindall led with four hits for the Sox, and was followed by Mike Thom with three, and Guy Flaschner with a homer and a single. Steve Miller was the winning pitcher.

In earlier play the Orioles shut out the White Sox 4-0 behind the one-hit pitching of Lynn Rittmer. Steve Miller got the Sox' lone base hit.

Jerry Scherrer led the Orioles at the plate with two hits. George Sobotka tripled and both Tommy Roberts and Jimmy Lois doubled for the Orioles.

Rittmer struck out 11 and walked but one in his stint on the mound. Gary Hilbert pitched a two-hit shutout for the Pirates as they nailed the Yankees 3-0. He struck out 11 and walked two. He was big man at the plate with two hits.

Lt. Albert Herman, son of Mrs. Helen Herman, North Ave., Antioch, receives championship trophy as captain of the winning bowling team at Chennault Air Force Base, Louisiana, where he is stationed with the Air Force. The base commander made the presentation.

Krieger Wins 35-Lap Race Feature at Waukegan Track

Before the largest crowd of the season, some 3,250 strong, Greg Krieger of Milwaukee, the 1960 Waukegan track champion and overall point champion for Midwest Speedways, scored his first season victory, by winning the 35-lap Father's Day special at the Waukegan Speedway Sunday night. It was Krieger's initial appearance with his brand-new Model A, powered by a fuel injected 1961 Corvette engine.

Krieger took the lead at the start and was never challenged for the entire distance. His average speed was 47.72 mph, considerably slower than the record he set here last year, in winning the 35-lap main event at that time, averaging 49.23 mph.

The race was stopped on the second lap when an eight car tangle resulted when Jack Frost, Zion, and Milt Curcio, Racine, spun and were hooked together. None of the cars were lost to the competition, however, when the race was restarted.

Gordon Gorman, Libertyville, averaged 48.90 mph to win the 15-lap semi final on the last lap from Fran Seamars of Milwaukee.

Ted Rozinski, West Allis, set the fastest qualifying time for the fourth time in six starts, this time averaging 49.75 mph. Some 75 cars and drivers were on hand for the program, the largest turnout of the season.

The Sportsmen, amateur drivers with stock automobiles, provided plenty of thrills with 10 of 24 cars finishing the 12-lap feature. Ed Jones won the 8-lap heat and Jim Newland emerged the victor in the feature.

The summary follows:
Feature—35 laps: Greg Krieger, Milwaukee, winner; Gary Sheldon, Beloit; Junior Dodd, Waukegan; Jack Frost, Zion; Bill Ansell, Milwaukee; John Reimer, Caledonia; 47.72 mph.

Semi—15 laps: Gordon Gorman, Libertyville, winner; Fran Seamars, Milwaukee; Paul Coen, West Allis; 48.90 mph.

Heats—10 laps: first, Paul Feldner, Colgate, 47.44 mph; John Wood, Winthrop Harbor; Coen; Jack Radtke, Grayslake.

Fast qualifier—Ted Rozinski, West Allis, 49.75 mph.

Amateurs—8 lap heat—Ed Jones, Waukegan, 43.29 mph; 12-lap feature, Jim Newland, Libertyville, winner; Don Miller, Waukegan; Al Horton, Waukegan; John Reed, Waukegan; 38.86 mph.

The seventh week of modified stock car racing is scheduled to take place at the Waukegan Speed-

way Sunday night. Another large field of over 75 cars and drivers is expected to participate and will be headed by the top point leaders, Ted Rozinski, West Allis, Jack Radtke, Grayslake, Jack Frost, Zion, Bay Darnell, Deerfield, Junior Dodd, Waukegan, Greg Krieger, Milwaukee and Milt Curcio of Racine.

Time trials will start at 7:15, with racing under way at 8:30.

Babe Ruth Squads Split Openers

By Mrs. Bernice Bernau
LAKE VILLA—The Lake Villa Merchants and Ringa Funeral Home of Lake Villa, both members of the Chain of Lakes Babe Ruth Baseball League, initiated their season with a loss and a win here recently.

The Merchants, managed by Bob Clark of Venetian Village, dropped a tough one to Lake Bluff at the Baptist diamond in Lake Villa by 11 to 9.

Ronnie Lentine, John Colbert and Jody Shirk starred at the plate for Lake Villa. Lentine went 3 for 4 including a triple and 3 RBI's. Colbert was 2 for 4 including a homer and triple and 4 RBI's. Shirk's triple drove in another run.

Ringa Funeral Home, managed by John Mateja of Lindenhurst, downed Antioch 8 to 1.

Jim Effinger, with two hits including a triple, drove 3 runs, while rookie Chuck Schroeder drove in two with a bases-loaded single.

Wildness on the part of the Antioch mound corps was responsible for the other four runs. Ray Maar pitching for Ringa's was the standout at Saturday's game. However, only twice was he in trouble, and once through shoddy fielding on the part of his team mates. Two of Maar's eight strikeouts ended Antioch rallies.

Antioch 201-054-4-12 12 3
Batteries: Mundelein—Grimshed, Heideman and Strom; Antioch—Walters, Cranley and Barnstable. Winning pitcher, Cranley; losing pitcher—Grimshed.

Legion Presents Full Mat Card- Lady Rasslers

A full card of wrestling has been slated by the Woodstock American Legion post starting at 8:30 p.m. Friday at Woodstock (Ill.) Community High School.

Heading up the all-pro matches will be The Crusher, all 250 pounds of him, against "Big Moose" Cho-

lak, a dainty 245-pounder. And if this isn't enough, there's always Jumbo Harris, 260-pounds of muscle from Montana, who will take on Mighty Joe, rough, 270-pound Negro from Los Angeles.

Billy Goetz and Johnny Gilbert, said to be the tag team champs of the midwest, will have a go with John Kace and Mighty Atlas, the villains in this piece de resistance. Crowning glory will be the grunt and groan affair between two Wisconsin beauties, Lady Atlas, of Milwaukee, and Babs Blitner, of Green Bay.

This card was arranged through Fred Kohler Enterprises, Inc., promoter of such events, both good and bad, since memory of man runneth not to the contrary.
